

MFL

MFL Languages:

French, German, Italian, Spanish, Norwegian, Polish, Portuguese, Romanian, Swedish, Turkish, Welsh, Brazilian, Danish

FlashAcademy® is extremely flexible

Students can access **everything** on the platform as soon as they log in

You can learn across multiple devices, in class or at home

Pupil progress and engagement can be tracked on the teacher dashboard

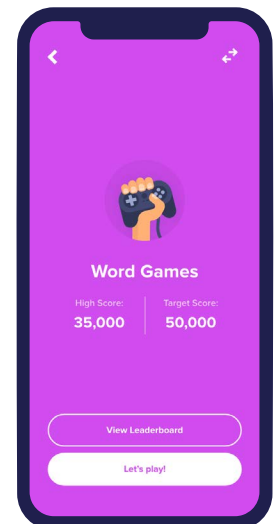

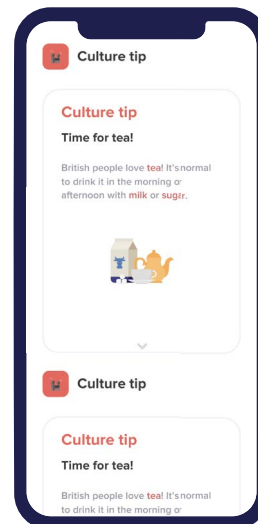

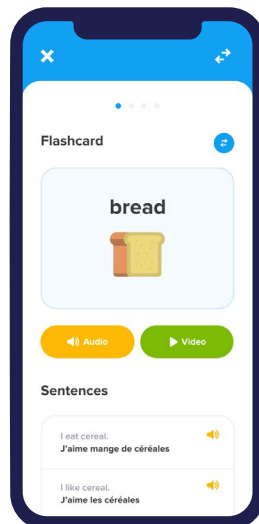

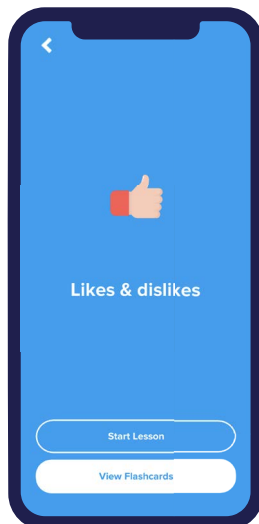

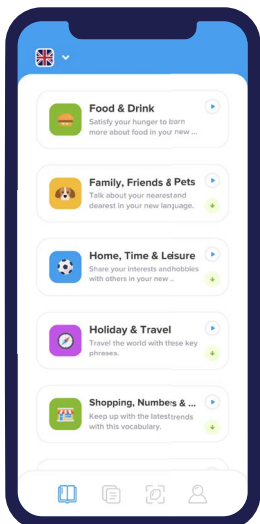

Students can work through tasks independently, in groups or as a whole class

Choose to encourage pupils to work through the app at their own pace or set them specific assignments and deadlines

Why use FlashAcademy® for MFL?

GENERAL LESSONS

- There are Beginner/Intermediate/Advanced Categories available.
- Lessons and flashcards will aid reading, spelling, writing, and listening skills.
- A range of activities allow pupils to put vocabulary they have learnt into context, alongside practicing pronunciation.
- Games help test learning and allow pupils to retain new vocabulary.
- Pop-up culture tips also teach pupils fun facts about the countries that speak the target languages.

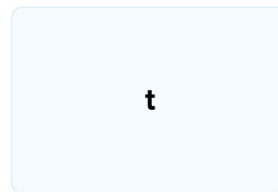

GRAMMAR LESSONS

- These lessons are an excellent tool for revision, helping students work through tricky grammar rules in a fun and engaging way.
 - There's a tip summary to start followed by activities including: matching activities, multiple choice activities, sentence gap fill activities, spelling activities.
- (French, German, Spanish, Italian)

PHONICS LESSONS

- These lessons show how sounds are linked to written form and focus on tricky pronunciation differences between languages.
 - Audio runs throughout all lessons to enable pupils to hear how each new word sounds and to practice their pronunciation.
- (French, German, Spanish)
