FlashAcademy®

Navigating The App

FlashAcademy®

Web App

Learn

1 Select 'Learn' to find all your lessons.

2 Use the 'General' and 'Subjects' filters at the top to filter out the curriculum lessons.

3 Find your Custom Lessons under 'My Custom Lessons' at the top.

4 Find your statistics at the side.

5 You can also see where you are on the XP leaderboard.

TIP: Scrolling is a click and drag motion

Web App

Tasks

1 Select 'Tasks' to find the tasks that are set for you.

2 This is also where you will find the assessment once it has been set for you.

My Profile

1 Select 'Profile' to view your profile information.

2 Click 'Choose Avatar' to select an avatar for your profile.

3 You can also view your statistics again here.
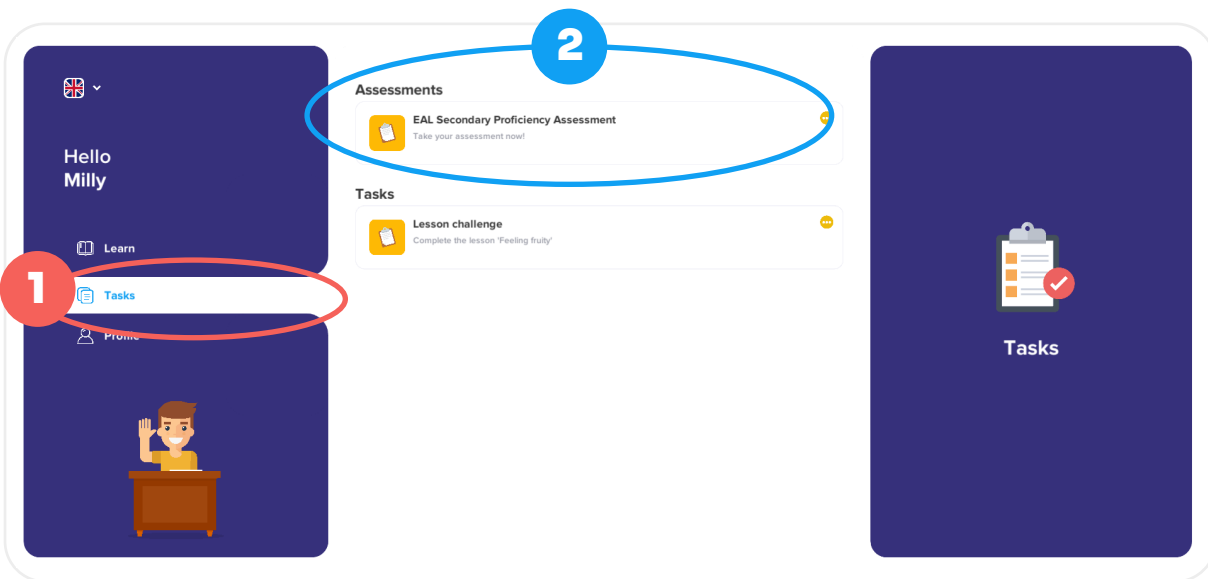

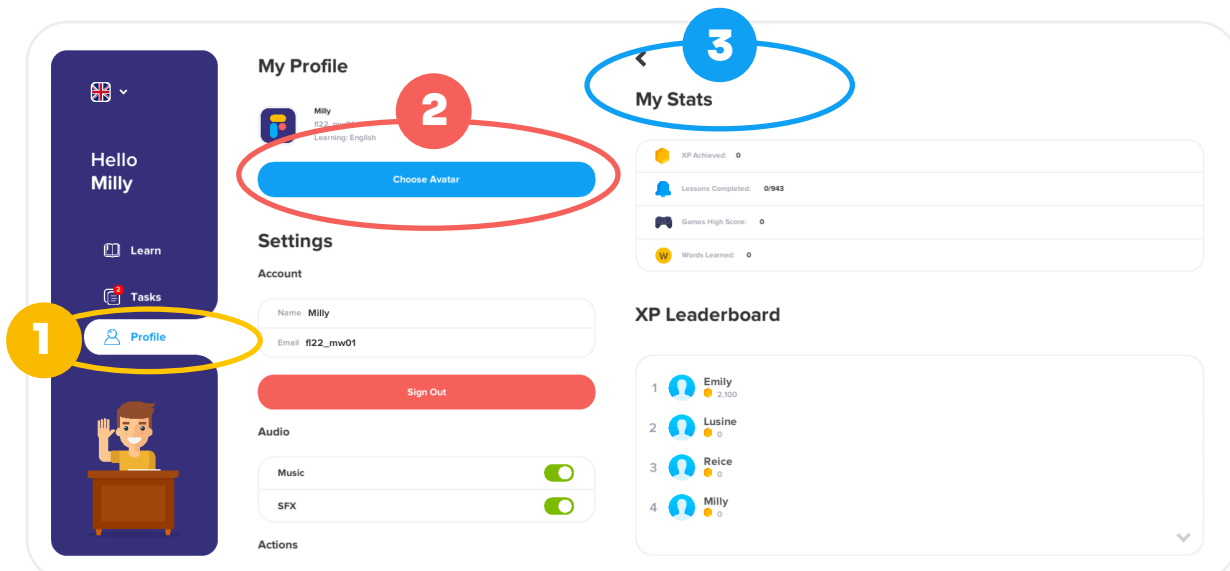

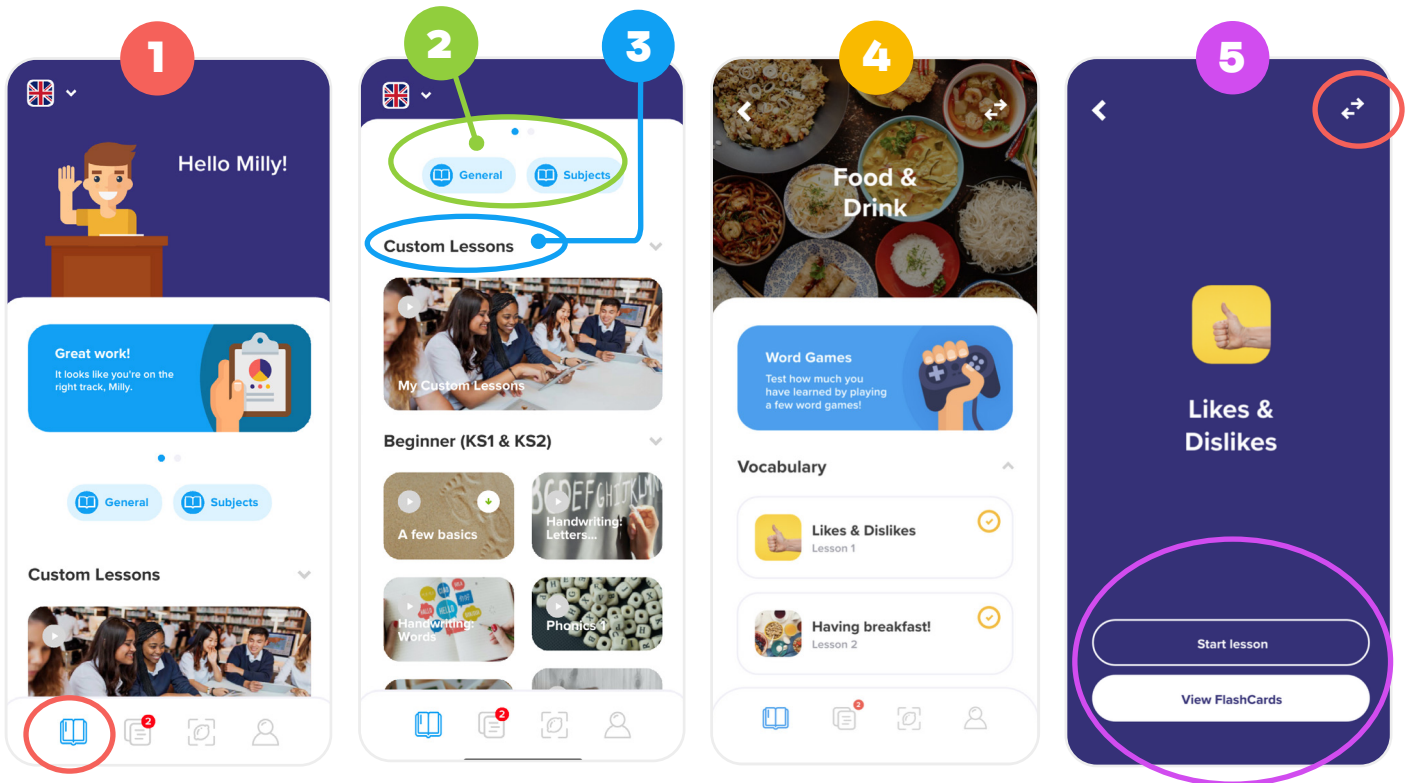

Mobile App

1 Select 'Learn' to find all your lessons.

2 Use the 'General' and 'Subjects' filters at the top to filter out the curriculum lessons.

3 Find your Custom Lessons under 'My Custom Lessons' at the top.

4 Click into a category to see a list of the lessons in that category.

5 Click into a lesson and choose whether to 'Start Lesson' or 'View Flashcards'.

6 Use the toggle button to translate between the selected home language and English.

Mobile App

Tasks

1 Select the 'Tasks' button to find the tasks that are set for you.

2 This is also where you will find any assessments set for you.

Object Translator

1 Select the Translate button at the bottom of the home screen.

2 Select scan new object.

3 Point the camera at the object and press the Camera button to take the picture.

4 The Object Translator will take a few moments to scan and assess the picture, before returning the result(s).

Days of the Week

Start Lesson

View Flashcards

The lesson will start a series of challenges to introduce the vocabulary to you and help you understand it. (please see the Content and Curriculum Overviews for more detail on lesson types and content).

You will have access to all lessons; You do not have to complete them in any particular order. Lessons can be repeated as many times as you like.

Lessons and Flashcards

Flashcards

The Flashcards go over the vocabulary in the lesson. Each word has an icon, audio, and a video to help with pronunciation. There are also sentences to help put the words into context.

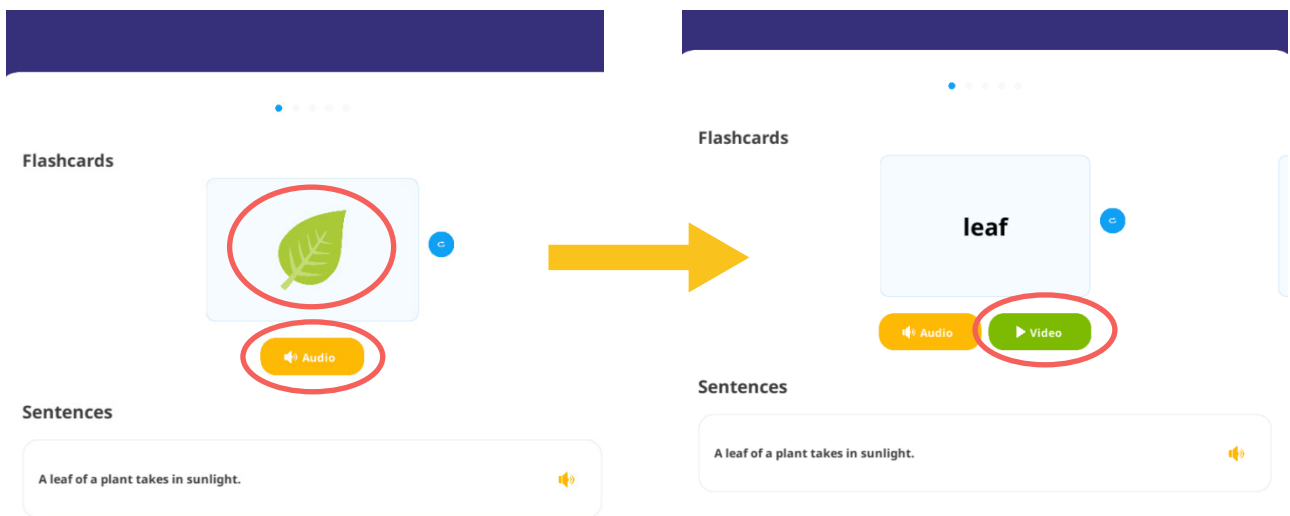

You will also find here the grammar, culture, and vocabulary tips that appear in the lessons.

Grammar tip

Grammar tip
Using capital letters

Remember the days of the week are always written with a **capital letter** at the beginning.
I don't go to school on **S**aturdays.
My favourite day of the week is **F**riday.

Culture tip

Culture tip
Summer time!

Popular **holiday destinations** for Brits are **Spain, France, Greece** and the **Canary Islands**. Or for a holiday closer to home, many people stay in the UK and go **camping** or **caravanning!**
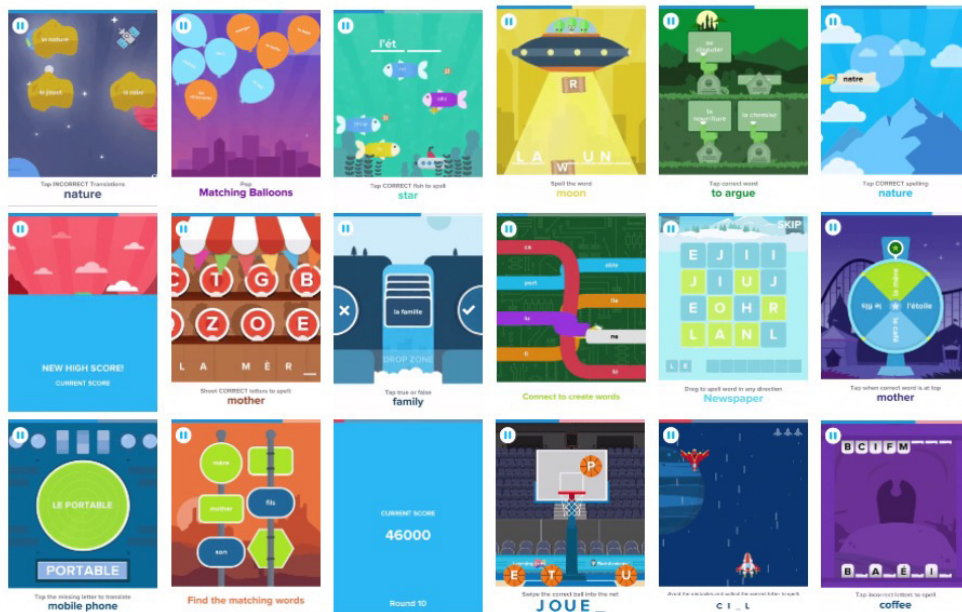

Vocab tip

Vocab tip
This may come in useful...

If someone helps you, remember to say **thank you**! You can also say **thanks** or **cheers**, which are more familiar.

Lessons and Flashcards

Games

You can unlock games by completing lessons. You must complete at least one lesson in a category to unlock the games; the more lessons you do, the more games you unlock!

1 The games are optional, they can be played straight after a lesson, or you can go into them later on by clicking at the top of each category.

1

Word Games
Test how much you have learned by playing a few word games!

Vocabulary ⌄

Lesson 1
Basic food

Lesson 2
Your close family

TIP: You will earn XP by completing lessons, games, and by using the object translator!
